

The trainers

Dr Gabriella SORGI: Didactic and training supervisor

She is founder president and legal representative of the Institutes I.P.A.E.A. (Institute of Analytical Existential Psychotherapy of Ascoli Piceno) and C.I.A.C. (Centre International Anthropoartistic Counseling) .
Psychotherapist since 1979, international trainer of Analytical Existential Psychotherapy, sociologist, anthropologist and sophianalyst. She deals with research in human as well as theoretical-clinical fields. She is registered as psychotherapist in the Professional Body of the Marche Region (Italy), with the registration number 430 since 01/06/1991.

She is a member and teacher of P.P.L. (Professional Psychotherapeutic League of Russia).

She is member of:

W.C.P. (World Council for Psychotherapy)

E.A.P. (European Association for Psychotherapy)

F.A.I.P. (Federazione Associazioni Italiane di Psicoterapia)

S.U.R. (Sophia University of Rome).

She has founded (respectively in 1981 and 2003) the Institutes I.P.A.E.A. and C.I.A.C. (former I.A.S.S.C.) of Ascoli Piceno, for the development of psychotherapy intended as art and of counseling.

She created the method of the Analytic Theater Dance, as an original declination of the psychotherapeutic theater as well as the Anthropoartistic Theater Dance as bridge between art and science, culture, reality.

Her researches earned her the first ever cooperation Italy-Russia, Italy-Asia, Italy-kazakhstan, Italy-Belgium in the field of psychotherapy and counseling as well as the start-up of scientific cultural twinnings like that with the Professional Psychotherapeutic League of Russia (P.P.L.), begun in 2001, still on-going.

She has been awarded the 7th Certificate P.P.L., in 2001, special certificate of worthiness of the Professional Psychotherapeutic League of Russia, for psychotherapists distinguished in the world for merits in the field of psychotherapy.

She is one out of just 250 professional ever who have been awarded the World Certificate for Psychotherapy (WCPC – 2009) by W.C.P., non-governmental organization of the United Nations (see public Registry on WCP web site).

She has organized five International Congresses City of Ascoli Piceno, in years 1986, 1999, 2004, 2006, 2011; scientific interdisciplinary congresses of psychotherapy, psychology, medicine, counseling, anthropology, wellbeing and human sciences, the latter of which was awarded a medal of representation by the Italian President of the Republic Mr Giorgio Napolitano.

She is the author of several books, theater pieces and movies.

Among the countless appearances as a speaker at conferences, congresses and workshops, hereafter are mentioned, as meaningful milestones in the development of her thinking and the methodological evolution of the Analytical Theater Dance, the following meetings/conferences:
